JROTC Military Ball

LAMAR JROTC

The Lamar High School JROTC program first opened its doors in 1937 under the name 7th Battalion with the help of LT John T. McDaniel, Lamar's first Senior Army Instructor. JROTC (Junior Reserve Officer Training Corps) is a program that teaches leadership and helps motivate young people to be better citizens. Our mission is to support the educational goals of Lamar High School by being the most outstanding unit in the city. In 1946, General Dwight D. Eisenhower described the Lamar JROTC program as "Best of the Best". From that day we have strived to uphold this title and perform at the best of our abilities. At Lamar H.S. we take into consideration not only our academics and leadership but the students themselves.
